

Invitation for the National Texelsheep Show

Dear sheep breeders,

We would like to invite you to visit the Grand National Texelsheep Show on August 24th, 2019. This show is organized by the Dutch Texel Society (NTS and TSNH) in cooperation with the Dutch blue Texel Society. We expect about 200 Blue Texel and Badgerface Texel sheep and about 400 white Texel sheep at the show.

The program starts at 10 a.m. with the preselection of animals. After several selections, there will be a grand finale for the following categories:

- Rams born in 2016 (or earlier)
- Rams born in 2017
- Rams born in 2018 (shearling rams)
- Ramlambs 2019
- Older ewes
- Ewes born in 2017 (or earlier)
- Ewes born in 2018 (shearling ewes), lambed
- Ewes born in 2018 (shearling ewes), not lambed
- Ewelambs 2019

Furthermore we have a selection out of the best groups of lambs from one breeder and some ewes are presented with their lambs.

The location of the National Texel Sheep Show is the Oranjehal, address Bentweideweg 25 in a small town called Wenum-Wiesel near the city Apeldoorn. We have an information stand in the exhibition hall where we welcome our guests. We really hope to welcome you or other members of the Different Texel Societies in the world.

There is no entrance fee for this show. Apeldoorn is a city in the Mid-East of the Netherlands. In the surroundings of Apeldoorn, you can find lots of bed and breakfast facilities or hotels. When you want to visit Blue Texel Breeders in the Netherlands in the days before or after the National Texel Show, we can provide a list of breeders who are willing to show their Texel flock.

Yours sincerely,

.....
